### **Is the wife in control?**

Everybody on earth dies and goes to heaven. God comes and says "I want the men to make two lines. One line for the men that dominated their women on earth and the other line for the men that were whipped by their women. Also, I want all the women to go with St Peter."

Said and done, the next time God looks the women are gone and there are two lines. The line of the men that were whipped was 100 miles long, on the line of men that dominated women there was only one man.

God got mad and said. "You men should be ashamed of yourselves. I created you in my image, and you were all whipped by your mates. Look at the only one of my sons that stood up and made me proud, Learn from him!" Tell them my son how did you manage to be the only one on that line?

The man said, "I don't know. My wife told me to stand here."

"I smoke three packs of cigarettes a day," he said. "I also drink a case of whiskey a week, eat fatty foods, and never exercise."

"That's amazing," the woman said. "How old are you?"

"Twenty-six," he said.

## I am not forgetful

Three ladies were discussing the travails of getting older. One said, "Sometimes I catch myself with a jar of mayonnaise in my hand, while standing in front of the refrigerator, and I can't remember whether I need to put it away, or start making a sandwich."

The second lady chimed in with, "Yes, sometimes I find myself on the landing of the stairs and can't remember whether I was on my way up or on my way down."

The third one responded, " Well, ladies, I'm glad I don't have that problem. Knock on wood," as she rapped her knuckles on the table, and then said, "That must be the door, I'll get it!"
