### **BROCCOLI CASSEROLE**

A woman goes to her boyfriend's parents' house for Christmas dinner. This is to be her first time meeting the family and she is very nervous. They all sit down and begin eating a fine meal.

The woman is beginning to feel a little discomfort, thanks to her nervousness and the broccoli casserole. The gas pains are almost making her eyes water.

Left with no other choice, she decides to relieve herself a bit and lets out a dainty fart. It wasn't loud, but everyone at the table heard the poof.

Before she even had a chance to be embarrassed, her boyfriend's father looked over at the dog that had been snoozing under the woman's chair, and said in a rather stern voice, 'Skippy!'.

The woman thought, 'This is great!' and a big smile came across her face.

A couple of minutes later, she was beginning to feel the pain again. This time, she didn't even hesitate. She let a much louder and longer rrrrip.

The father again looked at the dog and yelled, 'Skippy!' Once again the woman smiled and thought 'Yes!' A few minutes later the woman had to let another rip. This time she didn't even think about it. She let a fart rip that rivaled a train whistle blowing.

Once again, the father looked at the dog with disgust and yelled, ' Skippy, get away from her, before she POOPS on you!

Well, here we are beginning of another year. 2008 was a great on, but I think 2009 will prove to be the best.

Some of us have had some illnesses. Some of them have really been serious. I've often wondered many time how people can continue to smile and laugh in their hard times. A LOT OF YOU HAVE SHOWN ME, IT CAN BE DONE.

Most are very strong in their faith and continue on through life with a smile.

So, let's start the New Year with a smile, hand shake and "Glad to see you."

We also need to get in touch with some of the retirees we haven't heard from in a while. Invite them to the lunch. Most all of them like to hear the old "B R Stories." Tell them to bring their family. Some of mine will be here today. Paul and Ann Williams plan to bring their grandchildren.

Our members are dwindling, so let's try something different. Bring your family.

Hope all of you have a great year. Stay healthy.....

You can call one of us anytime, if we can help you in any way.

May God bless you in this new year.  
Love Ya... Bill
