## ROADWAY RETIREES NEWSLETTER

**JULY 7, 2008 - CHATTANOOGA, TENNESSEE AREA - EVERY 1ST MONDAY**

Young Chuck moved to Texas and bought a donkey from a farmer for \$100.00. The farmer agreed to deliver the donkey the next day. The next day he drove up and said, 'Sorry son, but I have some bad news, the donkey died.'

Chuck replied, 'Well, then just give me my money back.'

The farmer said, 'Can't do that. I went and spent it already.'

Chuck said, 'Ok, then, just bring me the dead donkey.'

The farmer asked, 'What ya gonna do with him?'

Chuck said, 'I'm going to raffle him off.'

The farmer said, 'You can't raffle off a dead donkey!'

Chuck said, 'Sure I can watch me. I just won't tell anybody he's dead.'

A month later, the farmer met up with Chuck and asked, 'What happened with that dead donkey?'

Chuck said, 'I raffled him off. I sold 500 tickets at two dollars a piece and made a profit of \$898.00.'

The farmer said, 'Didn't anyone complain?'

Chuck said, 'Just the guy who won. So I gave him his two dollars back.'

### **Underage Drinking**

A man walked into a convenience store with a gun and demanded that the cashier put all the money from the register into a bag. The teller did.

Then the man saw a bottle of Scotch behind the counter and told the cashier to give it to him. The cashier refused and said she did not believe he was over 21. The man insisted that he was. The cashier held her ground.

Finally, the man took out his driver's license and showed it to her. The cashier looked it over carefully and sure enough, he was over 21. She gave him the Scotch and the man left.

Two hours later he was arrested after she called the police with his name and address.

### **Money**

A man will pay \$10 for a \$5 item he needs.

A woman will pay \$5 for a \$10 item that she doesn't need, because it's on sale.

### **Bathrooms**

A man has five items in his bathroom: a toothbrush, razor, shaving cream, a bar of soap, and a towel from the Motel 6.

The average number of items in a woman's bathroom is 328. The average man would not be able to identify most of them.

### **Arguments**

Women always have the last word in an argument. Anything a man adds after that is the beginning of a new argument.
