ROADWAY RETIREES NEWSLETTER

MARCH 3, 2008 - CHATTANOOGA, TENNESSEE AREA - EVERY 1ST MONDAY

THANKS

To the Retirees, I was so happy to receive the get well card. I am walking 1-2 hrs daily, and my doctor is happy with my recovery....Please give my thanks to all the retirees for the gracious gift card.

Of all the drivers that I have worked with, the Chattanooga drivers were far and away the greatest team of professionals. In addition they were a great bunch of guys. My years at Chattanooga were the best of my career. I was fortunate to have been a part of the best years of the "Big R"

Please pass along my thanks to all the guys. I will try to attend a meeting in the next couple of Months. I will be in Florida for the next one....

Thanks again....John Mizell

UPDATES

Dwight Farmer has been in the hospital to have his gall bladder removed. He is at home now and doing good. Dorma is still having a lot of back pain.

Bill Brown is now in the hospital in Dalton, Ga. Intensive Care Unit. Do not know the problem yet. He went in Saturday night. His blood sugar went real high. So he is now in Intensive Care and highly sedated.

Meantime...Their son Billy was returning home to get his prescriptions and wrecked their car. Billy has braces on his wrists and neck. Their car was totaled.

Barbara Greeson is still doing good. She says: "Thanks to the retirees for the pot plant and all the calls and prayers."

Paul Williams is doing great after his knee surgery. It will be 4 weeks this Tuesday since his surgery in Birmingham. He says. "I am doing Great!"

Louise Hammond asks you to keep her in your prayers. She didn't get any sleep Saturday night. She thinks it's her medication. She is to go to Dr. today at 2:45. She is to have a scan in mid-week to see how her throat is doing.

TOM AND GAIL PIERCE

Tom Pierce was honored at the Roadway terminal on Feb. 18th. There was a large group there to help him celebrate. With lots of good BBQ and all the trimmings. Great banana pudding.

BILL AND LOTTIE

Bill and Lottie will not be here today. Lottie has had surgery on her eyes and is doing good. She had her left eye surgery on the 20th. Her right eye on the 27th. Bill says he is afraid she will get her sight back and scream when she sees him, with two good eyes.

Bill is still having a lot of foot problems. The Dr. has him to wear his shoe for two hours, two times a day.

They both said to tell everybody "Hello" and wish they could come up.

Keep Bill and Lottie in your prayers.
