Low Bridge Ahead

A trucker driving along on the freeway notices a road sign in the distance that reads 'Low Bridge Ahead.'

Sure enough, the trucker gets stuck under the bridge. Cars are backed up for miles.

Finally, a police officer arrives at the scene. The cop gets out of his cruiser and walks around to the truck driver. He puts his hands on his hips and remarks, "Looks like you got stuck, huh?"

The trucker replies sarcastically, "No, officer, actually I was delivering this bridge and I ran out of gas!"

Old and New Testaments

This comes from a Catholic elementary school. Kids were asked questions about the Old and New Testaments. They have not been retouched or corrected (i.e., incorrect spelling has been left in.)... Enjoy!
