## ROADWAY RETIREES NEWSLETTER

**MAY 7, 2007 - CHATTANOOGA, TENNESSEE AREA - EVERY 1ST MONDAY**

Bill Brown is in the hospital in Dalton, Ga. They thought at first he had had a stroke. The stroke has been ruled out. He has some sort of infection. He is unable to keep anything on his stomach. Laveda has been staying with him.

Their house was flooded by a water leak, so they had to put their furniture in storage.

THEN! Their car broke down. As you can see the Brown's have been through a lot lately.

Continue to keep Bill and Laveda on your prayer list.

### **THIS JUST IN.....**

This just in: Disney to hold press conference at 10:00 a.m. today. Word on the street is that Disney will apologize for the Seven Dwarfs singing "Hi Ho, Hi Ho" in the movie Snow White and the Seven Dwarfs.

Disney plans to remove all items, currently for sale, associated with this movie. This includes books, dolls, and movies.

Later in the week the Seven Dwarfs will appear on the Al Sharp-ton radio show to apologize and undergo a 7 hour grilling.

Je\$\$ee Jack\$\$on has not been contacted for comment on this. His office stated that he and his personal secretary were attending a meeting in the Bahamas.

However, people at PUSH hinted that a large protest is being scheduled at Disney World.

Snow White could not be reached for comment.

On a related note, Lowe's and Home Depot will no longer use the term 'hose'. From now on, it will be called 'tubular water conveyors'.

**OK, where can I order mine??**

I'm dying to wear one to Wal-green's. This shirt should be a hoot at the post office also.

K-Mart, Wal-Mart, Target, KFC, & McDonald's all just came to mind.

Gee, it's exciting when I get inspired.

Don't just sit there, jump in and be politically "incorrect" with me!
