**OCTOBER 6, 2008 - CHATTANOOGA, TENNESSEE AREA - EVERY 1ST MONDAY**

Joyce Blakely is in room 324 at Hutchenson Hospital in Ft. Oglethorpe, Ga. She has had her ups and downs while there.

I asked her Sunday if there was anything I could put in the Newsletter for her. She said yes,

**” HELP !! ”**

She also said to tell everybody she loves them, and thanks for the calls, prayers, visits and cards. They have given her 4 units of blood. She was back in the ICU Friday and in room 324 Saturday.

~~~~~

Bill Watts foot is healing OK. He is recovering the way the Dr. said he should. They are removing the stitches a few at a time. He is to go Tuesday to have more stitches out.

EFFECTIVE OCTOBER 6, 2008  
NEW OFFICE POLICY

#### **Sick Days:**

We will no longer accept a doctor's statement as proof of sickness. If you are able to go to the doctor, you are able to come to work.

#### **Personal Days:**

Each employee will receive 104 personal days a year. They are called Saturdays & Sundays.

#### **Bereavement Leave:**

This is no excuse for missing work. There is nothing you can do for dead friends, relatives or co-workers. Every effort should be made to have non-employees attend the funeral arrangements in your place. In rare cases where employee involvement is necessary, the funeral should be scheduled in the late afternoon. We will be glad to allow you to work through your lunch hour and subsequently leave one hour early.

#### **Bathroom Breaks:**

Entirely too much time is being spent in the toilet. There is now a strict three-minute time limit in the stalls. At the end of three minutes, an alarm will sound, the toilet paper roll will retract, the stall door will open, and a picture will be taken. After your second offense, your picture will be posted on the company bulletin board under the 'Chronic Offenders' category.

Anyone caught smiling in the picture will be sectioned under the company's mental health policy.

#### **Lunch Break:**

\* Skinny people get 30 minutes for lunch, as they need to eat more, so that they can look healthy.

\* Normal size people get 15 minutes for lunch to get a balanced meal to maintain their average figure.

\* Chubby people get 5 minutes for lunch, because that's all the time needed to drink a Slim-Fast.

*Thank you for your loyalty to our company. We are here to provide a positive employment experience. Therefore, all questions, comments, concerns, complaints, frustrations, irritations, aggravations, insinuations, allegations, accusations, contemplations, consternation and input should be directed elsewhere.*
