### UPDATE ON THE SICK

Bill and Lottie will not be able to attend today's meeting. Bill is still having to go to therapy three times a week. He went last Friday with hopes of being finished with the therapy, but they want him to continue for another week. He has had 20 sessions so far.

Floyd Bledsoe is still doing pretty good. They got to make a vacation trip to Florida last week. He called me to "rub it in". I could hear the ocean waves in the background, on the phone. He was hoping he could make a trip up here to the meeting. We hope he makes it.

David Grisham is doing a lot better. He and Louise will not be at the meeting today. They are going on a little trip. David is even thinking about trying to take the RV to Nashville. That would be nice for him.

D. T. Daniel is having trouble with his legs swelling. One day they are OK, the next day they are bad.

Travis Jordan went to the Dr. about the aneurysm in an artery to his kidney. The Dr. said it was ok to let it go for a while and watch it to see if it gets any larger. If it does, then they will decide on what to do.

Bill Welch is to have surgery to repair a hernia at Memorial Hospital on August 18th.

### HI...FROM DAVID AND LOUISE

Just a note to let you know that David is doing better. We went to Pain Management on Tuesday and Dr. Ball gave him some pain patches. They seem to be helping.

He will go back in four weeks. We would like to thank everyone for all their prayers, calls, and cards. It is so good having so many wonderful friends.

David & Louise
