### **Thought for the day:**

In case we find ourselves starting to believe all the anti-American sentiment and negativity, we should remember England's Prime Minister Tony Blair's words during a recent interview. When asked by one of his Parliament members why he believes so much in America, he said:

"A simple way to take measure of a country is to look at how many want in... And how many want out." Only two defining forces have ever offered to die for you:

1. Jesus Christ
2. The American G. I.

One died for your soul, the other for your freedom.
