BBQ IN MERIDIAN

We went to the BBQ in Meridian on the 29th and had a good time. The food was good, the fellowship great and the weather cooperated. We saw and talked to many drivers and wives that we had not heard from since last year.

Jane Minter had a knee replaced several weeks ago and is doing well.

On Friday evening we went to dinner and then some went to the casino; after the BBQ we went to the casino and had fun, also won a little money.

It was a good trip and lots of fun.

BBQ

I went to the BBQ in Mississippi. There were Roadway retirees there from Chatt. and some were taking pictures. Don't know why I didn't take some with my phone, having too much fun I guess. I will take some at our next Memphis breakfast send you some pictures of your old friends.

There were only about 150 there. Everybody is getting old, gas is high. Next year will be different. Might be held at a church camp ground or VFW, something like that, might have BBQ catered something like that may be at Chattanooga or Atlanta. We are open for suggestions.

CHRISTMAS

The next lunch on December 5th will be our Christmas Lunch. So, as before. Ladies bring a Ladies gift, and Men bring a gift for a Man.

We think the limit should be \$20.00. That is what we have been doing the last few years.

Opportunity is missed by most people because it is dressed in overalls and looks like work..

No person is completely worthless___ one can always serve as a bad example..

There is something feminine about a tree. It does a strip tease in the fall, goes with bare limbs in the winter. Gets a new outfit in the spring. And lives off saps all summer. What a way to live.

Churches in Las Vegas

I came across this interesting tidbit of trivia. See what you think.

This may come as a surprise to those of you not living in Las Vegas, but there are more Catholic churches there than casinos.

Not surprisingly, some worshippers at Sunday services will give casino chips rather than cash when the basket is passed.

Since they get chips from so many different casinos, the churches have devised a method to collect the offerings.

The churches send all their collected chips to a nearby Franciscan Monastery for sorting and then the chips are taken to the casinos of origin and cashed in.

This task is not taken lightly and can only be done by a chip monk.
