### Strength

Is the capacity to break  
A chocolate bar into four  
pieces with your bare hands-  
and eat just one of the pieces..

### PRAYER REQUEST

After a surgery and many tests,  
I have been diagnosed with Hodg-  
kin's Lymphoma.

I am doing chemotherapy and  
eating a healthy, high protein diet.  
I am feeling fairly well but get  
tired easily and do not go around  
crowds.

I will have two months of ther-  
apy and then more tests. It is very  
treatable, just takes time and en-  
ergy.

Please keep us in your  
thoughts and prayers.

Jack & Jackie Reneker
