### "NOW YOU KNOW" DEPT.

Most people know that Easter is a religious holiday that comes in early spring but a lot of us don't know how to determine the exact date.

The earliest possible date at which Easter can come is March 22 and the latest date is April 25.

Easter comes on the Sunday following the first full moon after the 21st of March. "Now you know."

### HEY, FROM BILL AND LOTTIE

Hope all of ya'll are well and doing good. Glad to hear that Travis Jordan is doing better and out of the hospital and we continue to pray for Charlotte & Bill Welch's daughter too.

Here's what's going on with Bill. He has to go next week to the doctor for yet another physical so he can have surgery on his other foot. That surgery is to take place on April 20th. He goes for his pre-op on April 13th. He is looking forward to getting this over with and we hope he does as well with this foot as with the other one. He's beginning to wear shoes again for a little while, so ya'll just pray for him and me too.

Hopefully, it won't be much longer before we can get up that way. We miss all of ya'll and getting to come to the meetings. Hope everyone has a wonderful Easter and a safe one.  
Love, Bill and Lottie Watts

### FOR THE NEEDY

Droma and Dwight Farmer are doing great work for the needy in Chattanooga. Each week they gather items and distribute them. If you have anything you would like to contribute, such as, clothing, coats, socks, canned goods and etc, just bring it to the lunch at Wally's, or contact them and they will make arrangements with you to pick it up. Thanks

Lord let those who love us, love us and those who don't love us, turn their hearts and if you can't turn their hearts, turn their ankles so we will know them by their limp.

### Some Perks For Being Over Fifty

There is nothing left to learn the hard way.

Things you buy won't wear out (before you do)

Your eyes won't get much worse  
Your investment in health insurance is finally paying off.

Your supply of brain cells is finally down to a manageable size.

Your secrets are safe with your friends, they can't remember them.

You won't remember reading these depressing facts.

Thanks to: Jack Reneker

Brownie Johnson is still doing good.

Don Greeson is doing great.

Glad to have Travis Jordan at home.  
(Thanks to Jack Reneker & his son for building Travis new steps)
